

Introducing ART Now!

Introducing **ART Now**, a program brought to you by **LTYC LEARN**. Each week, LTYC will continue to deliver a virtual arts lesson in one of our offered contents for you to experience in the comfort of your own home. **ART Now** adjoins perfectly with our sharing season celebration and serves as LTYC's virtual response to ensure that students and artists can participate in arts learning anywhere, and at any time. Through arts tutoring, virtual classes, webinars and more, the Performing and Creative arts can always be right in the palm of your hands. It is one of the many new programs that will be introduced in the coming months as part of LTYC's newest initiative, **LTYC LEARN**.

Music With Mr. Smith

Music is a universal language that speaks to all people and can be a great educational tool to explore theory, history and art. Our ART Now lesson this week was produced by **LTYC Instructor, Mr. Micah Smith**. Students will engage in vocal warm up exercises, learn chord progressions and learn about Latino artist **Selena**. Click below to watch the **ART Now: Music With Mr. Smith** tutorial.

Digital Classroom Guest Speakers

LTYC's arts educators are now available to participate in your digital classroom as a guest speaker or to answer student questions. Our team has backgrounds in *visual arts, dance, theatre, music, creative writing, media arts, arts integration, and more!*

Thank you for all that you are doing to ensure that our students have the best arts education resources possible during this difficult time.

Create Your Vision Board

Vision boards are great tools to set goals, visualize your future and fill yourself with inspiration! This is also a great way to be creative and express yourself!

Awakening The Arts Through Visual Art

Welcome to **Awakening The Arts Through Visual Art**! Each week we will provide you with an in depth unit of lesson plans to stay actively engaged in the arts from home. These exercises are simple to follow and include examples and resources for youth to complete. We hope that you enjoy creating and learning by utilizing our lesson plan guide. Please keep us in the loop and share your awesome work with us on social media @Itycarts!
