

# LTYC SUMMER ARTS EXPERIENCE NEWSLETTER

Site Coordinator: Reginald Allen

Greetings!

What a fabulous third week at LTYC Summer Arts! We are excited to complete another fun-filled week of summer programming. Our weekly summer newsletter will contain important program information, upcoming special events, and all sorts of happenings!

## Enrichment Highlights

### Theatre Arts

Students were able to create an improvisational scene about becoming the president of the United States and acting out what change they would implement locally and nationally. They also performed in a plethora of skits about the theme.

### Visual Arts

Students focused on primary and secondary colors to create characters that would positively help them change their communities. Students also explored the use of pencils, crayon, and finger.

### Creative Writing

Students begin preliminary work on their poems. They studied rhyme scheme, format and we read and discussed poetry about the world that surrounds us. During our discussions, we began to talk about our communities.

### Dance

Students learned the basic concepts of dance such as different types of dance, counting music, spacing, and levels. They worked on learning directions such as left and right. Group work is one of the main focuses in dance class.

### Music

Students watched specific sections of "The Wiz" and studied all the dancing that went on! They were especially excited to see Michael Jackson in his role as the Scarecrow.

### Media Arts

Students began to collect video and photo footage for their "This Is Me" Videos. They also took still pictures in support of our new bulletin board and preparation for the end of the summer showcase.

## Summer Programming Week 3

Students this week focused on the theme "Be the Change." They had a special visit from local heroes. Students also participated in a workshop on our Workshop Wednesday. Lastly, students have been working on their end of the summer showcase during their enrichment programs.

## Highlights

The local Fire Department visited our students on Community Tuesday. They had the opportunity to learn about fire safety, the job of a firefighter, and when to call 911.

Students also enjoyed learning hip-hop during Workshop Wednesday.
