

# LTYC SUMMER ARTS EXPERIENCE NEWSLETTER

Site Coordinator: Reginald Allen

Greetings!

Summer is slowly coming to an end! Can you believe it? We are excited to complete another electrifying week of summer programming. Our weekly summer newsletter will contain important program information, upcoming special events, and all sorts of happenings!

## Enrichment Highlights

### Theatre Arts

Students continue their work on blocking which is stage development, and on character development. They also worked on stage presence skills while rehearsing for the end of the summer showcase.

### Visual Arts

Students continue their work on learning to blend colors and started working on self-portraits! They will also be collaborating with the creative writing students to publish their books.

### Creative Writing

Students refined and submitted their letters to their State Senator. They also continued to work on poetry in preparation for their end of the summer showcase.

### Dance

Students are working hard on their performance of "Ease On Down The Road" from "The Wiz". This will be a performance you don't want to miss!

### Music

Students learned 3 new songs that will be performed during the summer showcase. They also explored the natural minor scale. And finally, students also got a new drum rudiment of the week during the bucket band sessions. Students also focused on the artist of the week, Scott Joplin.

### Media Arts

Students are creating a video using footage that has been taken during programming. They will be prepared to show their masterpiece at the summer showcase.

## Summer Programming Week 4

Students this week focused on the theme "Spirit Week." They had a special visit from local heroes who protect our community. Students also participated in a workshop during our Workshop Wednesday session. Lastly, students are very excited about their upcoming summer showcase.

## Highlights

The local Police Department visited our students on Community Tuesday. They had the opportunity to learn about being a leader in the community, the job of a police officer, and how the police build peace and justice in the community.

Students also enjoyed learning the different genres of music through the mastering of disk jockey with DJ Queen HD during Workshop Wednesday.

## Upcoming Events

Family and friends are welcome to attend the LTYC West Summer Showcase! Students will perform and showcase what they have learned during summer programming.
