

WINDSOR VALLEY SUMMER PROGRAM NEWSLETTER

Site Coordinator: Anthony Avery (Mr. Tony)

Greetings!

We hope that you are having a wonderful summer with your family and friends! It is hard to believe that it is already July 2018! We are now in our second week of camp! These first two weeks have been an exciting time with our students! Our weekly summer newsletter will contain important programming information, upcoming special events, and all sorts of happenings!

Enrichment Highlights

Theatre Arts

Students learned the definition of "monologues." They had the chance to choose and memorize a monologue for their first mock audition.

Visual Arts

During Visual Arts, students drew profiles of themselves and fellow peers so they can create wallets for S.T.A.R. City.

Creative Writing

Students wrote "I Am..." poems using their name as a noun. They also discussed the differences between a noun, verb and adjective. They also reviewed the rhyming couplets and created a Leaders of Tomorrow poem.

Dance

Students learned the definition of "dance." They then described what dancing is to them. Students also created a "What is Dance Board."

Music

Students learned the format of a song. Students focused on how to identify the verse, chorus, and bridge of a song. They also learned to drum several different notes and patterns.

Media Arts

Students learned the different parts of producing a short film. They also had a photo shoot and learned to edit their pictures on the computer.

Summer Programming Week 1 & 2

The first week of the program, students were introduced to instructors and fellow peers. During this time, students were exposed to their enrichment classes.

Each week we will have a theme that the students will focus on. The second week at Windsor Valley students learned about being Leaders of Tomorrow.

Highlights

Some highlights from the week include writing Pen Pal letters to S.T.A.R.S. in other area camps. Students also created an advocacy video sharing with the local councilman, Mike Perron Jr., about the thing that could be done to help our children be better leaders in their community. They also kicked off our S.T.A.R. City simulated township where students can choose a career, interview and work a job for S.T.A.R.bucks to pay for camp events, perks, and incentives from the camp store. It has been a week of fantastic leadership!

Upcoming Field Trip

Students will be going on two field trips.

~AMF Bowling Alley on July 20th

~Regal Bel Air Cinema Stadium 14 on Aug 1st
